19<sup>th</sup> March 2020

Lite Regal Education and Lite Regal Int. College

Dear Parent and Students

## **GENERAL**

Thank you all for your many messages over the last week and many suggestions. We are, as always, very grateful for your support, but apologise that the volume of correspondence has been huge, and by the time answers have been written, we have often been overtaken by events. We have attempted to prioritise queries, but I hope that you will understand if the responses have been slower and briefer than usual.

As you may have heard from the Prime Minister's statement, schools are to close in the UK on Friday, 20<sup>th</sup> March. At our meeting this afternoon, our staff have requested that we continue teaching, albeit remotely.

The Prime Minister has stated that we should continue to welcome children of key workers and vulnerable children to School.

## **REMOTE LEARNING AND WORKING**

As you may have heard from the Prime Minister's statement, schools are to close in the UK on Friday, 20<sup>th</sup> March. We have in line with other schools and colleges moved to e-learning and online learning effective from Friday 20<sup>st</sup> March 2020. Our Staff have been well briefed on online and remote learning procedures as this has been anticipated.

At this stage, we anticipate Remote Working and Learning to continue and until further notice and at least until Friday April 17<sup>th</sup> 2020.

We always and will continue to monitor the UK GOV and UK PUBLIC HEALTH recommendation and guidelines as to the future opening of the School.

## **PUBLIC EXAMINATIONS AND UNIVERSITY OFFERS**

The Prime Minister has stated that examinations will not take place in the Summer 2020, but would urge parents and Students not to speculate about what will happen about grades until we have had official information from OFQUAL and from the Universities regarding University places. I fully understand the anxiety surrounding examinations and University offers, but I urge students to keep calm – I have every confidence that the situation will be resolved satisfactorily in due course.

I have received the following from OFQUAL.

'We welcome the certainty that the Secretary of State's decision not to hold exams this summer provides in these challenging circumstances. We will now work urgently with the Department for Education to work through the detail of this decision and to provide more information as soon as possible.'

## **TOMORROW**

As the school will close tomorrow we also urge all students should also use the opportunity to ensure that they are fully ready to embrace Remote Learning.

## **FUTURE**

We will continue to operate as normally as possible but remotely and online. We will have key staff members to answer important emails and continue the administration of the School in the near future and throughout the Easter holidays all will working remotely. The A Level and GCSE revision classes that occur over the Easter will continue as per the other courses through online and e-learning and be administered by our A Level and GCSE staff members. The Internships and in particular the Medical Internships have been postponed until further notice on the advice of the Medical Doctors and Internship team.

Best wishes and warm regards

Mr Milan Lebloch  
Principal  
BSc (Hons). MSc
