A LEVEL EASTER REVISION

A LEVELS EASTER REVISION COURSES IN LONDON AND CAMBRIDGE

Easter is the most important time in every student's calendar for AS and A2 revision and our Easter revision courses for A levels have become increasingly popular. Since 1993 LITE Regal has been in the education business and our experience will allow you through hard work to achieve your goals. Our Easter revision courses are an excellent way to plan, prepare and address concerns, leaving sufficient time to fine-tune revision skills.

At LITE Regal our Easter revision courses are aimed at increasing your subject knowledge through being with like-minded individuals and working through problem areas to enable you to gain confidence with the actual exams.

Easter revision courses are a great way of getting the bulk of your revision done early. The revision is structured for you with the emphasis in the right places and lots of practice on past papers. Through proven exam technique and by using only the best tutors majority whom have been Oxbridge educated we will help students overcome problem areas and enable students to build confidence to achieve their maximum grade in the summer examinations.

These Easter revision courses help students remain calm at a time when stress may start to build. We concentrate on proven exam techniques and clarifying students' problem areas to maximise performance in the summer exams.

Expect to be worked hard during our Easter revision courses.
